# Choose NCR Orderman and enjoy the benefits

Large, high-contrast 5-inch HD display that is easy to read, even in sunny outdoor areas

High-quality materials and durable construction (shock-resistant and water-tight)

Powerful replaceable battery (3150 mAh) for up to 18 hours of operating time

Programmable side buttons for frequently used functions

User-friendly touchscreen that can be operated by finger or using a touch pen

Up to 5-year all-inclusive no-hassle warranty

Long-lasting, gold-plated charging contacts

Smartly positioned notification LEDs, designed specifically for the hospitality industry, vibration alarms and speaker

NCR presents the Orderman7, our top-of-the-line handheld ordering device. Benefit from the latest technical features, which make radio ordering quick, reliable and user-friendly. With an extremely long operating time of up to 18 hours, the unit sets new benchmarks with its bright display, high-quality material, unrivaled strength and ease of use. 25 years of experience and a high level of expertise stand behind this device, which was especially designed to meet the challenges of the hospitality industry. For this reason, the Orderman7 features up to 5 years of all-inclusive, no-hassle and is great tool to increase profits: the radio ordering functionality can help improve service, showing results of up to 25% more sales. The latest generation of the unique and stable Orderman radio technology turns our top handheld ordering device in to a real profit maker for your business.

# Works reliably around the clock, satisfies your guests and increases sales!

### Safety cord

Fast and secure attachable safety cord (patented) for additional protection.

### Orderman Secure Radio

Latest generation of the Orderman radio: uniquely secure and stable, developed with major enhancements.

### Service Station

For charging and performing remote maintenance on the handheld – the Service Station also quickly recharges replacement batteries.

### Integrated Camera with flash

Includes a camera with flash and autofocus. The flash also functions as a flashlight, perfect for low light environments.

### Orderman7 and Orderman7+

Orderman7 is the entry-level model, and the plus model has NFC and Bluetooth to connect to the belt printer.

### Orderman7 MSR

This device features magnetic strip reader for customer loyalty programs.

### Orderman7 SC

This device comes with a scanner to read QR codes and barcodes (e.g. inventory, promotions).
